

Frozen & Chilled Storage

At Bralca Cold Store Ltd., we specialize in providing top-tier frozen and chilled storage solutions tailored to the needs of the food sector. Our state-of-the-art facilities are equipped to handle a diverse range of product types, ensuring optimal conditions for the preservation of quality and freshness.

We maintain a rigorously controlled environment, compliant with the strictest safety and quality standards, including our BRC Accreditation and approvals by the Department of Agriculture, Food, and the Marine.

Flexible storage options are available, from large-scale pallet storage to more compact arrangements, all designed to maximize efficiency and minimize cost. Our advanced monitoring systems guarantee that your products are kept at the precise temperature required, round the clock.

Nationwide and UK Distribution

Our strategic location near major road networks like the M7, M9, and M50 facilitates efficient nationwide and UK distribution, ensuring that your goods reach their destination quickly and reliably. At Bralca Cold Store Ltd., we pride ourselves on our ability to offer seamless distribution services that are as timely as they are secure.

We operate a fleet of modern, well-maintained vehicles, all equipped with the latest in temperature-controlled technology, perfect for the distribution of frozen and chilled products.

Our logistics team specializes in both full load and groupage services, allowing for flexible, cost-effective distribution solutions tailored to the unique needs of each client. With Bralca, you can rest assured that your products are in safe hands, whether they are moving across the country or across the sea.
